Delivering Trust, Driving Excellence

Nextin Logistics Pvt. Ltd.

Your End-to-End Logistics Partner

About Us

- Founded in September 2021, Nextin Logistics is a fast-growing logistics company offering complete end-to-end logistics services including B2B, B2C, FTL, and warehousing. Our strength lies in fast delivery, wide network coverage, and tailored client solutions.
- Pan-India reach with dedicated customer service team.
- Flexible logistics models for businesses of all sizes.

Director's Message

As the Director of NextIn Logistics Pvt. Ltd., with over 10 years of experience in the logistics industry, I've always believed that trust and timely service are the foundation of any successful business. Our mission is to provide reliable, efficient, and tech-driven logistics solutions that help businesses growth. At NextIn Logistics, we don't just deliver goods – we deliver commitment. With a dedicated team and a customer-first approach, we're proud to be driving logistics excellence across India. Together, let's move forward – faster, smarter, and with purpose.—
Sanjay Singh

- Environment-friendly delivery initiatives.

A photograph of a logistics yard at sunset. In the foreground, a white truck is partially visible on the left. In the middle ground, there are several stacks of colorful shipping containers (red, yellow, and blue). The background shows a bright sunset over a line of trees. The sky is filled with soft, colorful clouds. The overall scene is a busy logistics hub during the golden hour.

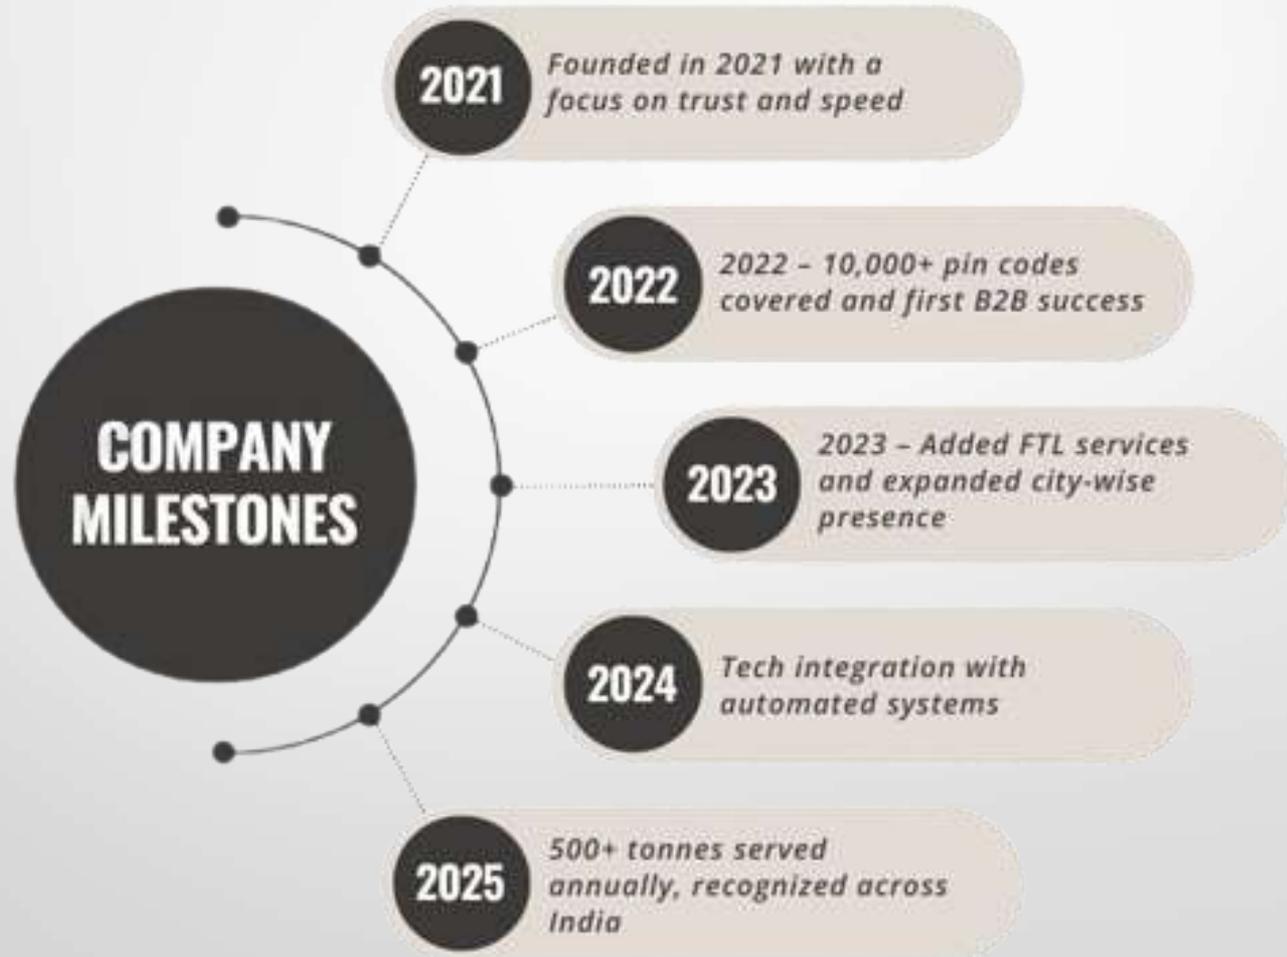

Vision & Mission

- Vision: To be India's most trusted logistics partner.
- Mission: To provide fast, safe, affordable logistics supporting business growth.
- Focus on digital transformation in logistics.
- Customer success team to ensure satisfaction.
